CRAFT SPIRITS

2023 MEDIA KIT

CRAFT SPIRITS magazine is the unparalleled resource for in-depth insight and intelligence for the entire craft spirits universe. The bi-monthly digital magazine from the American Craft Spirits Association features the information and analysis that small, independent spirits producers and allied businesses need to operate in today's complex craft beverage market. Through our website, CraftSpiritsMag.com, we also provide videos and features to keep the industry informed every single day.

The American Craft Spirits Association is the only registered national non-profit trade group representing the U.S. craft spirits industry. Our mission is to elevate and advocate for the community of craft spirits producers, which includes nearly 2,300 small businesses. And our vision is that the greatest spirits are universally recognized as coming from our member producers, and they are enjoyed responsibly everywhere in the world.
